

Lahoma Routt

Youth Ministry Scholarship Application

Lahoma Routt spent a lifetime focused on hard work and business. Among the many businesses she and her husband owned and operated was Routt's Motel and Restaurant, which featured the first buffet restaurant in the region. Mrs. Routt was an accomplished cook who enjoyed interacting with her customers as much as she enjoyed preparing delicious dishes. Her famous Jam Cakes and Pecan Pies made her a local favorite. She enjoyed travelling many places over the years and collecting souvenirs from different locales. From Florida in the winter to Branson, Missouri, her travels helped her with her other interest -- shopping. Some of her travels started literally from her front yard as her husband piloted their own plane from an airstrip in their front yard. Her church, Severns Valley Baptist, and mission work are lifelong passions for Mrs. Routt. She also values education for people so they can pursue their life goals and dreams. Through her generosity, Hardin County youth will benefit forever in two areas that were of special interest to Mrs. Routt: education opportunities for children and scholarships youth mission trips and church camps.
