

# *The Collective Power of Women*

We have all donated and supported non-profit organizations individually but through Heels Together we can pool our resources and collectively have a much greater impact. Together, we can unite money, ideas and actions to create lasting change for women and girls, their families and community.

HARNESSING THE COLLECTIVE  
POWER OF COMMUNITY TO  
ENRICH THE LIVES OF WOMEN  
AND GIRLS IN OUR COMMUNITY.

## About Us

Heels Together is a women led, women funded effort to invest in programs and initiatives that support women and girls in our community.

## How it Works

Each year, investors contribute \$1,000 each to the Heels Together fund at CKCF. Half of that investment goes toward funding grant requests that year and half goes into an endowment.

Organizations submit grant applications to help fund initiatives for women and girls in our community.

At the annual banquet, top grant applicants present their initiative and investors vote on which initiatives they will fund.

## Join Us

Join an prestigious group of women who together are working to lift up women and girls.
